- Japan's first A380 will fly between Narita and Honolulu starting May 24.
- Booking for A380 First Class and ANA COUCHii will open on Jan. 10, 2019.
- ANA will run special campaigns commemorating the FLYING HONU launch.

TOKYO, Dec. 26, 2018 — All Nippon Airways (ANA), Japan's largest and 5-star airline for six consecutive years, has announced the schedule for the first Japanese-operated Airbus A380, which will fly between Narita and Honolulu starting May 24, 2019. Sales for this flight will begin on Jan. 10, 2019 for the newly introduced First Class and ANA COUCHii in Economy Class. To celebrate this route and provide even more value for its passengers, ANA is running special campaigns for those flying Premium Economy, Economy Class and ANA COUCHii from May 24 until July 11, 2019.

ANA currently has two flights departing from Narita to Honolulu. Starting May 24, the earlier flight will be serviced by its first A380 on Tuesdays, Fridays and Sundays. Then, starting on July 1, the second A380 will start operating, and the A380 will begin servicing the earlier flight on a daily basis. The A380 will service the later flight on Tuesdays, Fridays and Sundays^{*1}. This will result in a total of ten roundtrips per week serviced by the A380, all other Narita-Honolulu flights will be operated on a Boeing 787-9.

About ANA

Following the "Inspiration of Japan" high quality of service, ANA has been awarded the respected 5-Star rating every year since 2013 from SKYTRAX. ANA is the only Japanese airline to win this prestigious designation six years in a row. Additionally, ANA has been recognized by *Air Transport World* as "Airline of the Year" three times in the past 10 years - 2007, 2013 and 2018, becoming one of the few airlines winning this prestigious award for multiple times.

ANA was founded in 1952 with two helicopters and has become the largest airline in Japan, as well as one of the most significant airlines in Asia, operating 78 international routes and 118 domestic routes. ANA offers a unique dual hub model which enables passengers to travel to Tokyo and connect through the two airports in the metropolitan Tokyo, NARITA and HANEDA, to various destinations throughout Japan, and also offers same day connections between various North American, Asian and Chinese cities.

ANA has been a member of Star Alliance since 1999 and has joint venture partnerships with United Airlines, Lufthansa German Airlines, Swiss International Airlines and Austrian Airlines.

Besides the full service and award winner carrier ANA, the ANA Group has two LCCs as consolidated subsidiaries, Vanilla Air Inc. and Peach Aviation Limited. The ANA Group carried 53.8 million passengers in FY2017, has approximately 39,000 employees and a fleet of 260 aircraft. ANA is a proud launch customer and the biggest operator of the Boeing 787 Dreamliner.
