ANA Reveals Launch Date for "Green Pokémon Jet" Special Livery

- The specially designed "Green Pokémon Jet" will operate on international routes, scheduled to enter service starting September 18, 2026 to commemorate the 30th anniversary of the ANA x Pokémon partnership.
- ANA also announced the second phase of its collaboration with Pokémon GO as part of its anniversary celebration.

TOKYO, August 24, 2026 — All Nippon Airways Co., Ltd. (ANA) today announced the inaugural flight schedule for the "Green Pokémon Jet," the second aircraft to be unveiled as part of ANA's x 30th Anniversary Special Project, following the Red Pokémon Jet announcement last month. The specially painted "Green Pokémon Jet" will enter service on regular international flights starting Friday, September 18.
At the same time, ANA is launching the second phase of its Pokémon GO collaboration.

Operating Routes

Scheduled to operate on the following routes from September 18, 2026 to March 27, 2027.

Haneda Routes	From Haneda: Honolulu, Seattle, Vancouver, Sydney, Manila, Singapore, Delhi, Bangkok, Jakarta, Kuala Lumpur
Narita Routes	From Narita: Perth, Singapore, Bangkok, Jakarta, Mumbai

Please note that the operating routes may change daily depending on operational status and will not be finalized until the day of the flight.

Pokémon GO Collaboration Phase 2

Starting September 18, specially designed ANA PokéStops and Gyms will appear at 14 airports across Japan (Kochi, Matsuyama, Takamatsu, Tokushima, Fukuoka, Saga, Miyazaki, Kumamoto, Kagoshima, Nagasaki, Oita, Ishigaki, Miyako, and Naha), where players can enjoy Raid Battles and Timed Research. By participating in these events, players will have a chance to encounter Pokémon with a Location Background exclusive to the “Green Pokémon Jet” collaboration.

Details regarding the Pokémon Jets will be announced on the official ANA website and other platforms.

About All Nippon Airways (ANA)
Founded in 1952 with just two helicopters, All Nippon Airways (ANA) has grown to become Japan’s largest airline and a global leader in premium service.

ANA operates an extensive international and domestic network, connecting destinations across Asia, North America, Europe and beyond. With a focus on quality and omotenashi, ANA delivers a consistently high standard of service across every stage of the journey.

ANA is the only Japanese airline to have earned SKYTRAX's 5-Star rating every year since 2013, underscoring its consistent excellence. The airline is also a four-time recipient of the Air Transport World’s (ATW) Airline of the Year award. In 2025, ANA was honored with FlightGlobal’s Executive Leadership: Asia-Pacific Award, reflecting its continued focus on innovation and strategic growth.

As part of ANA HOLDINGS Inc., ANA continues to invest in the onboard experience, its fleet and digital services to enhance the travel experience for passengers worldwide.
